November 12, 2019

Dear Parents / Guardians,

Please be advised that the Gerald McShane Skating Program will begin on **Monday, November 24<sup>th</sup>, 2019**. On a rotational basis, all classes will be walking to the arena behind the school. They will be accompanied by their teacher, Ms. Cathy as well as other staff members. This is a **compulsory** activity for all students.

You will be advised as to your son / daughter's designated date. In order to be allowed to participate, students must have ice skates (speed skating skates are not appropriate) as well as a helmet. Please ensure that your child has all the necessary equipment on their scheduled day.

Parents are welcome to join their child on the ice on their designated day.

If your child does not have skates, please advise the school, via a note in the agenda, and we will do our best to obtain a pair for them.

Thank you,

C. Chilelli  
Principal
