NEWSLETTER

SINCLAIR LAIRD SCHOOL

IMPORTANT INFORMATION

On December 9, together with the Administration, the Sinclair Laird Governing Board (comprised of teachers, parents and other members of the community) unanimously agreed on a motion to **STRONGLY RECOMMEND** that all students (Pre-Kindergarten to Grade 6) **wear government approved masks** while on school grounds, when circulating the school and when in their classrooms.

Although, per government mandates, **only the grades 5 and 6 students are required to** wear their masks, we would like to remind you that preventing the spread of COVID-19 is a collective effort and we hope to have the collaboration of all parents/guardians, students and staff to help keep our community safe.

LATEST NEWS

Even though we have been very limited to activities at school this year, students have been working hard on classroom assignments / projects, making holiday ornaments, decorating our tree, exploring things virtually and learning new skills in the Robotics program. Mr. Danovitch has been put to the creative test as well and come through with new gym activities that the kids have really enjoyed. Also on the menu a "Tadam avec Fredo" magic show presentation for younger students, drawing lessons with our own Mr. Mathew, and a visit from local author, Mr. Andreas Kessarar, who came to speak with our grade 5,6's about Park-Ex pride. It was definitely an interesting and educational experience for our students. More to come in 2021!

HOLIDAY WISHES

We would like to send the entire SL family and community our warmest wishes for the Holiday season. May the New Year be filled with love, joy, laughter, success, and unforgettable memories.

Also, we would like to thank every one, but especially our wonderful students and staff for all of your patience, positive energy and cooperation throughout this difficult time. We will get through this together! So stay safe and see you all back in the New Year!
