A Message from our Principal:

My name is Mr. Lino Buttino, and I am very excited and honored to introduce myself as the Principal of James Lyng High School, which is well known for its dedication to its community and its students. I consider my most important job to be that of a child advocate. I will spend time with our students, getting to know their personalities, learning styles and interests. We will celebrate their successes, small and large together. We will encourage them every day and let them know they are valued and have a special place in our school community. Not only am I excited to begin a new year working with our students, but I look forward to the work we will do in partnership with you, our parents.

As a father of two teens myself, my goal is always to ensure that all students are healthy, happy, and safe, so they may learn as much as they can in a proper environment. The main office will be communicating this year primarily through email as this is the best and most environmentally friendly way to communicate in today's day and age. I implore you to share your emails with the main office so you can stay informed of any important information that might be sent out during this academic year.

Mr. L. Buttino
