IMPORTANT: ALL STUDENTS must be PRESENT and ON-TIME for their exams. For the above-indicated exams, students will not be permitted into the exam room more than 10 minutes late. For late arrivals past that time, and for all absences, proper justification and documentation is needed: medial note, death certificate, police report, etc.

Please note the following:

- Students must be in regular uniform for all exams.
- Students must arrive at exam sessions prepared with all their required materials.
- Cell phones and/or other electronic devices (with the exception of school computers provided by Resource) are not permitted during exams. All devices must be left in locked lockers or on a desk at the front of the exam room.
- When not in an exam session, all students are in their regular class according to their usual schedule throughout the month of May.
- On days with exams running from 9am to 12pm, students are to arrive at school for 8:40am and report directly to their exam room. Students must remain in the exam room until at least 11:30am, at which point they may be dismissed for lunch if they have finished their exam. Students staying for the full time, including any extra time allotted for students with IEPs, will be given a chance to eat their lunch once they have finished their exam.
- Cheating will not be tolerated. Any student who is found cheating during an examination will receive an exam mark of zero.

The June exam schedule will be sent out soon, along with additional information pertaining specifically to those exams. Additionally, all exam schedules and procedures will be posted to the school's website shortly.

We wish all students a successful exam period!
