

## COURSE REVIEW PROGRAM

Dear Parents - **Building Blocks Tutorials** is proud to offer its **MID YEAR REVIEW** group sessions in partnership with **Laurier MacDonald High School**. Our tutorials will be offered by our certified teachers **in person at Laurier Macdonald**. They aim to mirror and reinforce material covered in class, as well as provide step by step tips and strategies. These sessions have helped thousands of students in the past, providing them with complementary learning and effective tools. The program includes 4 hours of teaching, delivered over 1 day. The goal of these tutorials is to provide students with preparation for mid year exams, aligned to Laurier Macdonald content feedback. Students will receive a content booklet as well as course summary notes.
