SPRING/SUMMER - REVIEW

The end of April quickly arrived as students were well into their final exam reviews and preparations. The athletics department concluded their seasons in flag football and outdoor track and field.

All the level trips were a smashing success in April and the EMSB leadership camp showed promising results for our future student leaders at the end of the month.

May was the beginning of our exam period where our English, French and Science departments were holding in-class final exams. Students were still kept entertained with their weekly lunch time house activities and their skills were challenged.

The Academic Awards were held Thursday, May 25th. With more than half of the student population on the Honour Role, it was nice to recognize our strong academic achievers.

On June 2nd, LMAC held its final school-wide House Activity Day, during which the winning House was revealed. We wish to congratulate the Lion House for winning the title this year and thank all the students and staff for making the House system a wonderful success in its' inaugural year.

June 9th, the school held its final Activity Day at La Ronde, marking another great school year at LMAC. The students had a lot of fun enjoying rides and games and making lasting memories to talk about over their summer break.

Prom

On June 23rd, the secondary 5 students had their prom at Buffet Classique in St-Leonard. The night was a great celebration in honour of our students who made it through several challenging years and inaugurated our first house system year.

Graduation

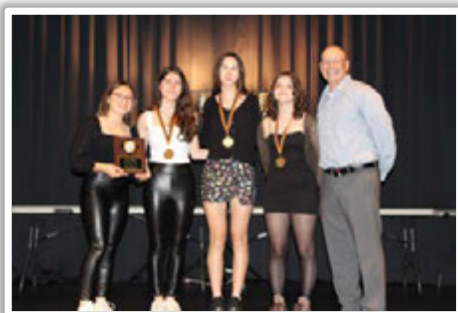

Congratulations to the class of 2023 on the completion of their high school years. We wish them all the best in their future endeavors.

The Graduation Ceremony will be held Friday, November 3rd at the CEGEP Marie-Victorin auditorium. We look forward to officially celebrating and acknowledging their achievements on this date. More details will be provided in the fall.

2023-2024 School Trips

We have begun planning large over-night level trips for the 2023-2024 school year. Trips will include, Senior Ski Trip to Mont-Ste-Anne, New York City, Boston, Washington, Toronto and other cities. Our secondary 5 students will have the opportunity to travel to Spain in 2024. We are looking forward to continuing to enrich our students' experiences in the new school year.

Sports Awards Banquet

The LMAC sports awards banquet was held Friday, June 16th in the LMAC auditorium. Many students were recognized for their achievements and contributions in their extra-curricular sports participation.

Staff of 2023

The staff of 2023 would like to wish all our students a wonderful summer break. We'll miss you!

Summer Greeting

As this school year ends, we wish to thank our local community for its continuous support in helping us make our students successful. Thank you to the wonderful students that make our jobs a joy and thank you to the parents for their continuous support. We wish you all an enjoyable summer and we look forward to welcoming back our returning students as well as our new group of eager achievers in Secondary 1!
