Standards and Procedures

Science

2020-2021

The Science curriculum mandated by the Quebec Ministry is divided into three competencies.

The student's progress will be monitored and evaluated using a variety of assessment tools: observations, rubrics, student work, tests and experiments. Google classroom will be integrated into the curriculum.

The official reporting sessions are as follows:

Competencies	Term 1 20%	Term 2 20%	Term 3 60%
C1. To propose explanations for or solutions to scientific or technological problems	X		X
C2. To make the most of scientific and technological tools, objects and procedures		X	X
C3. To communicate in the languages used in science and technology	X	X	X

The Standards and Procedures are a living document therefore changes may be made as needed.
