Standards and Procedures

Science

2022-2023

The Science curriculum mandated by the Quebec Ministry is divided into three competencies.

The student's progress will be monitored and evaluated using a variety of assessment tools: observations, rubrics, student work, tests and experiments. Google classroom will be integrated into the curriculum.

Competencies	Term 1 – 20%	Term 2 – 20%	Term 3 -60%
C1. To propose explanations for or solutions to scientific or technological problems	X	X	X
C2. To make the most of Scientific and technological tools, objects and procedures.	X	X	X
C3. To communicate in the languages used in science and technology	X	X	X
Distance Learning	Science will be using Google Classroom and video conferencing in the event of class or school closure due to Covid 19.		

The Standards and Procedures are a living document therefore changes may be made as needed.
