Standards and Procedures

Technology

2023-2024

The Technology Curriculum mandated by the Quebec Ministry of Education is divided into two competencies.

The student's progress will be monitored and evaluated using a variety of assessment tools: classroom observations, student work, rubrics, participation, etc. Please note that **Google Classroom** will also be used throughout the year for communication and the submission of assignments.

The official reporting sessions are as follows:

Competencies	Term 1 (20%)	Term 2 (20%)	Term 3 (60%)
To use information and communication technologies for their learning.	✓		✓
Demonstrates positive social and ethical attitudes and behaviours when using technology resources.		✓	✓

The Standards and Procedures are a living document; therefore, changes may be made as needed.

**Distance Learning	-Students will be using Google Classroom and video conferencing <u>in the event of class or school closure.</u>
