We Scare Hunger Campaign

Dear Parents and Students,

Hunger is a growing problem in our community and every year more Canadians seek the support of food banks in order to put food on their tables. It is estimated that almost 1 million Canadians demand on the generosity of food banks to feed their families.

Since we began our October We Scare Hunger campaign in 2011 we have collected over 30,000 food items in addition to our traditional Christmas drive.

Throughout the month of October we will be collecting food items in the plaza area, we will have a non-uniform day in exchange for the donation of one food item on October 31st and we are excited to announce our seventh annual walkathon to end hunger in our community.

Walkers should seek pledges ahead of the event and food items would be collected in advance by students in our plaza as well as at the start and end of the event.

The walkathon will begin in the track at LBPHS and end back at its starting point. The event would be held between 8:30 to 9:30 on October 28th.

The walk is a symbolic gesture to raise awareness and much-needed food items. The walk will occur during period 1 only and students will return to school for recess, then resume their **regular day** of classes.

On November 1st, all food items will be counted and donated to **La Fondation Beaulieu-Blondin**. Every food donation helps in the fight against hunger – no matter how small or large. Please be generous.

We Scare Hunger Walkathon October 28th 2019

Dear Potential Sponsor,

I am walking to end hunger; all donations will support hungry families in Montreal North. You can support my walk by pledging non-perishable food items.

Thank you!
