Principal's Report Monday, October 5, 2020

The start of the year was definitely a challenge. Many hours were spent trying to organize the school so students and staff would be safe. The school has been following all requirements from the Santé Publique and the MEES. The most challenging of which is maintaining a 1 meter distance between students during transition time. The students are wearing masks though.

There are still many challenges ahead including:

- Lockers when weather cools
- Parent-Teacher Night
- Formal Exams
- Lack of Substitute Teachers

There have been three cases so far at LBP. None of these cases originated in the school. Santé Publique works with the school to contact trace when students have been exposed to a positive case. This process happens 7 days a week. Parents are informed the same day we are notified. Letters from Santé Publique can take 24 hours to receive.

We replaced our Open House with a Virtual Open House. Thank you to all the staff and students who participated, in particular, Mr Karpontinis who lead the project. The traffic online was very impressive. Thanks to last year's GB we will be putting up banners around the school promoting LBP and our programs.

We also developed an online registration where parents can upload their report cards for consideration to our enriched programs. Last check we had 120 registrations.

Budgets are trickling in. There were no cuts. In fact, there were increases in some funds. A budget will be brought to GB once the documents are sent to the schools.

Governing Board (Oct 5)

Things That Have Been Done

Student council is adapting to Covid-19. Our council general meetings are now being held online and in the Council room has been rearranged so that you could social distance.

A couple of student council members stuck the signs and stickers for COVID around the school prior to the start of the school year.

Orientation Day: Student council members have organized orientation day for the secondary one students to help them with the returning to school and to ease their stress.

Breakfast Club: Every morning student council members sell a breakfast bundle for only \$0.50 from 7:45 am to 8:15 am. Although not as many students as expected are purchasing a breakfast, the food that remains is given to a food bank.

SPC sales: SPC cards are being sold during the lunch hour at a discount. Students who purchased it at school were able to save the taxes.

Student Co-op+ Vending Machine: Some spirit wear (hoodies) have been sold. Student council has decided to sell masks at only \$0.65. School supplies and other necessary supplies are also being sold as well as snacks in our vending machine.

28 Days of red-zone campaign: Student Council members have created a tik tok account where we post a different tik tok everyday which counts down the days of the red-zone. These videos bring awareness to COVID and the safety measures that need to be taken into consideration in order to protect ourselves and others around us.

Halloween Decorating: Student Council members have decorated the school for Halloween to get the students in the Halloween spirit.

Things That Are Coming Up

Graduation Apparel: The sec 5. Students of student council have noticed that many sec 5 students don't feel as if they are actually in sec 5. We think that by starting to work on the apparel we can up lift the students. Plus since we are only attending school physically half the time, sec.5 students feel that they are being cheated out of wearing their grad wear and enjoying their last year.

Virtual ECA Fair: Student council has decided to create a video composed of mini clips of teachers explaining a certain ECA (extracurricular activity) so that students can sign up while still social distancing.

We are looking forward to start many other things that are listed in our year of action plan.

Student Feedback

- The return to school has been especially difficulty to senior students who are adjusting to being present in the building for half of the time and having to learn while at home for the other half.

COVID-19 Gift

We would like to purchase masks with the slogan Stop the Spread
