### Tentative School Trips:

We are in the process of tentatively planning school trips for the different levels. In order to better help us pre-plan, **parents of secondary 3-4-5** are asked to please complete the brief survey (by clicking the link below) for their preference for international trip this year. **Only families who are seriously considering sending their children on the trip should reply to the survey.** Since this will be the first trip after the pandemic, we want to ensure that we have enough participation for the international trip we will plan. We will be reviving our traditional NYC Trip for our graduates as well as a trip for juniors.
