**According to the Quebec Education Program, there are two main components:**

**Ethics**

- Recognize different ways of viewing life, relationships with others, and the place and role of human beings in the world
- Reflect on values (freedom, equity, equality, justice, respect, integrity, etc.) And social prescriptions (laws, rules, regulations, etc.)
- Take a reflective position with respect to problem situations in which different values are at stake or choices have to be made
- Make choices based on the common good, get involved and act toward others autonomously and responsibly

**Religious Culture**

- Become familiar with Quebec and religious heritage
- Become open to religious diversity & develop appropriate attitudes toward it by becoming familiar with each of the 7 major religions
- Draw upon various forms of religious expression (celebrations, objects, symbols, writings etc) to help students understand religious traditions

**Student Late Work Policy**

- Students are allowed to submit the next day without penalty.
- After their one chance, 5% is deducted for each additional day it is late (i.e. as of day 2 being late).
- Once the assignment in question is handed back to students, no late assignments will be accepted as late.
- Teachers are encouraged to use their professional judgement when considering late work from students.
