Paragraph that details the subject specific aims of the department, learning and socialization goals

*This course aims to increase students awareness of leadership skills and the need for competent leaders in our community. Students will develop an understanding of effective leadership and learn how to become better leaders in physical activity settings. Students will develop and apply leadership skills such as planning, organization, communication, conflict resolution and follow-up feedback in different physical activity settings. Throughout this course, students will acquire a deeper knowledge of various sports in aiming to increase their competence and comfort level with animating and officiating physical activities.*
