CHOCOLATE FUNDRAISER

A big thank you to those families who have already purchased their delicious chocolate boxes. A reminder that all funds collected will go towards supporting our I.B Program and subsidizing school events. The fundraiser campaign will run from **April 23rd- May 7th, 2021**. Any family who does not wish to partake in this chocolate fundraiser is encouraged to make a donation of \$50 to the school in order to help with the payment of the I.B fees. This payment can be made in cash or by cheque to Michelangelo International School. Please be sure to send this donation to school with your child in a sealed and labelled envelope with their name and homeroom clearly labelled.

MICHELANGELO ENERGY CHALLENGE

During the month of May students will be participating in the “Michelangelo Energy Cube Challenge”! The challenge will take place as of **May 1st, 2021 until May 31st** inclusively. The goal is to participate in physical activity and get energy cubes for your efforts. It is a great initiative encouraging students to move as much as possible at school and at home. Students earn even more energy cubes if they move with a family member! Please encourage your child to stay healthy by moving along with them.

MICHELANGELO DAYCARE NEWS

o Important! Daycare Registrations 2020-2021

We have received most of the Daycare 2020-2021 Pre-Registration responses for students that will be in Gr 1-6 next year, as well as the returning students from Prek & Kindergarten, thank you. Please note that these were only surveys, and now the school board has open up the official online registrations on **Mozaik**. The deadline to register online is **May 7th, 2021**.

Important! The Mozaik Daycare registration is reserved only for students who will be attending daycare which have lunch supervision included in their daycare package.

Please do not register only for lunch supervision services using Mosaik.

The school lunch supervision program is a separate program. You will receive information for the lunch program in September 2021. If you already registered for lunch accidentally online, we will be cancelling it for you. This will not affect your school registrations.

***Special for Prek & Kindergarten students only:** students in Prek & Kindergarten are all part of the daycare lunch program even if you are not registering for the other daycare services. This is an exception for the younger students in our school.

*Returning students in our Prek starting Kindergarten in August 2021 can register for daycare lunch supervision only for next year. Please be sure to choose "**Sporadic**" user and not "Lunch user". Please choose the Kindergarten lunch period.

***Some parents may have one child in the daycare lunch because they are in Prek or Kdg and another child on the school lunch supervision program. Parents simply need to ensure they are registered for the correct one and paying the right accounts next year.**

After May 7th, 2021 we will be contacting parents who did not register for daycare online, but did advise us through their survey that they need the services.

It's very important that you are all registered on time as our budgets and staffing are directly affected.

o Daycare Week Activities & Celebration: May 10-14, 2021

We have planned some fun activities for the daycare students for Daycare Week.

*Students will be treated to a continental "cold" breakfast every morning that week starting at 8am-8:30am.

*They will also receive very special afternoon snacks such as pizza, ice cream truck and many more surprises.

A calendar of events will be sent out to all daycare parents.

We remind parents that due to the Daycare week activities; students will not be doing homework afterschool. We ask parents to try to pick up students after 5pm so they don't miss any of the fun!

o Daycare Ped day: May 27th, 2021 – In School Activities Theme: Spring Gardening

Daycare will be open for students in daycare full-time. The Ped Day letter and permission slip will be sent out shortly. The deadline to register is:

Wednesday May 10th, 2021.

o **Daycare Fees & Payments:**

A reminder that all outstanding balances are due for April. Statements of accounts have been emailed to all parents including those who have credits. A reminder that students with outstanding fees cannot register for the Ped days.

May statements will be sent at the end of May for both Daycare and Lunch supervision.

o **LUNCH SUPERVISION FEES:**

Statements of accounts have been emailed to all parents as well. Outstanding fees for lunch supervision are due May 3rd, 2021 online using the **LH CODES** or by cheque.
