

PIERRE DE COUBERTIN

October 26, 2022

Dear Parents,

Last year, we applied for a grant with the Ministry of Education to revamp our kindergarten playground. We are delighted to announce that our grant has been approved. The Ministry will provide 50,000 and we, as a school, must raise \$20,000 to complete the project.

We are reaching out for your help with this endeavor. We are looking for community sponsors that are willing to sponsor this project. We also welcome any donations, from parents, to meet our goal. If you have a company and would like to sponsor the PDC Kindergarten Playground project, kindly fill out the bottom portion of this letter and return it to us with your cheque made payable to Pierre De Coubertin School. If you require further information, please do not hesitate to contact the school administration. All corporate sponsors will receive a letter from Pierre De Coubertin school indicating the amount donated. The construction will begin during the summer of 2023.

We are confident we can come together to raise the funds required for this project. Thanking you in advance. Kindly respond before November 18, 2022.

Best regards,
