

PIERRE DE COUBERTIN

OCTOBER 2023 NEWSLETTER

PRINCIPAL'S SUMMER READING CLUB

We are very proud of our students who participated in the Principal's Summer Reading Club. Over 40 students submitted their forms and together have read over 600 books over the course of the summer. Each child who participated in this club and submitted their form indicating the books they read, will receive a certificate and a \$20.00 Indigo gift card.

MILK PROGRAM

The milk program is in full force once again. This program is open to all children who wish to have milk in the morning.

PROGRESS REPORTS

Your child's progress report was made available on October 13, 2023, via Mozaik. The intent of this report is to provide you with an understanding of your child's academic progress and regarding his/her behaviour.

THANKSGIVING CELEBRATION

Our Thanksgiving activities were held throughout the month of October. The children had the opportunity to reflect on the meaning of Thanksgiving as well as who and what they were thankful for. We thank Mr. Vince Lacroce for undertaking this activity.

HALLOWEEN

On October 31, we will be celebrating Halloween at PDC. The students will be permitted to come to school dressed in their Halloween costume. No accessories nor masks will be allowed (swords, wands etc...). Activities are planned for this day. Please see email sent on October 11 for further details.

Treats: We would like to take this opportunity to remind our parents of our school's food policy. For the security of our children, we will not distribute any food or treats provided to us by parents. Please do not send in goody bags filled with candy. We ask for your understanding and cooperation.

MEDICATION AT SCHOOL

Students are NEVER allowed to have medication (including cough drops) of any kind in their possession. If your child is required to take medication prescribed by a doctor while at school, **a Consent Form signed by the parent must be given to the school secretary. This must be accompanied by the medication in the original container from the pharmacy (including dispensing label)**, with the doctor's name clearly visible on the label. No medication will be given to a child unless it is prescribed by a doctor. A student is encouraged to wear an allergy belt which holds their EpiPen. If your child has asthma, a pump must be kept at school. The child may not keep it in the school bag.

OPEN HOUSE

This year's Open House will be held on October 26 from 9:30am to 11:00am and then from 6:30pm to 9:00pm. We encourage you to share our social media posts in order to help spread the word about our Open House.

Social Media

Pierre de Coubertin is on Facebook and Instagram! Like our page at <https://www.facebook.com/pdcemsb/> for the latest pictures, videos and much more.. For all other questions, please visit our website at <http://www.emsb.qc.ca/pierredecoubertin> where you will find more in depth information about the school.

Best Regards,

Ida Pisano
Principal
