*The English Montreal School Board (EMSB) believes that every member of its community has the right to learn and work in a safe physical and cyber environment. The EMSB advocates a strong safety and prevention focus which includes student education and support, as well as professional development as*

*per the Quebec Education Program (Q.E.P.) and the EMSB's Strategic Plan.*

## Our Safe School Action Plan

This plan outlines the measures for preventing and responding to acts of bullying and violence in our school in accordance with the EMSB Safe Physical and Cyber Environment Policy and the Quebec Education Act (QEA).

*Describe the school's vision about the individual and collective responsibilities of students, parents, families and staff in preventing and responding to bullying or violent behaviour.*

- Our school is committed to providing our students with a safe and caring learning environment. We encourage all members of our school community to act with respect and kindness towards others. Our school expects students, parents/guardians and others who witness or learn about an act of violence or bullying involving a student to report it promptly. Our school administration will take the necessary steps in investigating reports and ensuring safety for those concerned.*

## Safe School Team

## School Climate

Assessing the school climate helps us understand how safe students feel in their learning environment and allows us to reflect on what improvements we can make to reduce the potential of bullying and violence. Our school collects data from the following sources:

*-Tell Them From Me Student Surveys*

*-Bus Incident Reports*

*-School detention log*

*-School Incident reports*

Based on our data analysis, we have established the following priorities for the coming school year:

- *To increase the sentiment of safety during lunch time recess with new supervision practices and procedures.*
- *To increase awareness on internet safety by providing a series of information sessions in the classroom.*
- *Decrease bullying issues amongst boys – during lunch and recess.*
- *Bring awareness to verbal and social bullying.*

## Prevention

As part of a wider effort to increase protective factors and educate on issues related to bullying and violence, our school will:

- *Introduce the Canadian Red Cross' research -based anti-bullying program "Beyond the Hurt".*
- *Continue to print the school code of conduct in the student agenda and display it as well on the school website.*
- *Implement activities for children to play at recess*
- *Recess Facilitator*
- *Offer Anti Bullying Workshops*

## Collaborating with Families

Families are instrumental in helping schools prevent, detect and resolve incidents of bullying and violence. Through such means as organized events, distribution of information sheets, newsletters posted on the school website, presentations and individual meetings, our school will actively support and encourage families to:

- *Recognize signs of distress in their child.*
- *Understand the difference between conflict and bullying.*
- *Report suspected acts of bullying or violence to the school administration.*
- *Reinforce pro-social behaviours in their child/youth.*
- *Collaborate with school staff in finding solutions if their child is involved in acts of bullying or violence.*

## Response Procedures

Our school is committed to ensure that professional and teaching staff members receive ongoing training on how to respond appropriately when witnessing or being made aware of harmful behaviours. Claims of bullying and violence will be investigated according to guidelines established in our school. Emphasis will be on assuring safety, promoting accountability with consideration to mitigating factors, and repairing harm.

## Reporting Procedures

The protocol for reporting incidents of bullying and or violence will be described in the student agenda and school website. The protocol will explain that:

- *Students are provided with confidential, safe and age-appropriate ways to report an incident (e.g. by talking to a staff member)*
- *Staff members complete a reporting form to alert the administration to investigate and follow up promptly after an incident has occurred.*
- *Parents/guardians can report to (their child's teacher, school administrator, behaviour technician...) in person, with a direct phone call or by email.*

## Measures to Protect Confidentiality

Our school pledges to take steps to protect the confidentiality of persons involved (victim, perpetrator, witness) in a bullying or violent incident. Our staff and families will be reminded that they are to share information about an incident strictly on a need to know basis with consideration to the feelings and privacy of individuals. Reports will be kept confidential in a secure location.

## Supervisory & Support Measures

Our school professionals and staff may take the following steps to support any student who has been involved in, targeted or affected by bullying behaviors.

- *Consultation with appropriate school professionals.*
- *Meetings with parents/guardians to reinforce social skills building activities at home.*
- *Provide relevant educational activities for students.*
- *Form social skills group to help students deal with certain situations*

## Disciplinary Measures

The school's disciplinary measures will be formative, fair (considering the nature, severity & frequency of act as well as any other mitigating factors) and respect legal requirements regarding the confidentiality of students.

In line with the EMSB Safe Physical and Cyber Environment policy, police may be contacted when a criminal act or threat of a criminal act may be involved.

Our disciplinary measures may include:

- Reflections
- Sending home incident reports
- Detention
- Parents may be called to meet with the administration to discuss the issue.

## Follow-Up Measures

Our school will take necessary steps to protect students from harm or retaliation after an incident has occurred. The school will ensure a proper follow-up by:

- *Documenting the investigation process, interventions and communications with parties involved.*
- *Maintaining communication with families and students involved in the incident.*
- *Verifying that support services are offered as required.*
- *Checking in with students to ensure well-being and to prevent escalation or retaliation.*
