Monthly Newsletter

December 2019

Winter is upon us

As the weather is getting colder and the snow starts to fall, please make sure your children are equipped with winter appropriate gear. 'Tis the season for boots, snow pants, winter coats, scarves and hats! Our students need the fresh air and exercise!

We encourage a change of shoes.

Santa Bag Project

Your children are invited to create "Get Well" Holiday cards for patients at the Montreal General Hospital. They can decorate them with drawings for Hanukah and/or Christmas celebrations. The cards should measure 8 cm x 14 cm to fit the gift bags. These are due by December 2nd and should be brought to Ms. Laura.

Loose Change Drive

Do you have PENNIES OR LOOSE CHANGE at home? The Grade 6 students are running a loose change challenge to help pay for their graduation activities! The class that has the highest money total will win a pizza lunch served by the grade sixers. The loose change drive ends on December 4th.

We would like to wish the entire Roslyn Community a very joyous Holiday Season filled with lots of love and laughter!

Joanna & Laura

SHINE – The Missing Children's Network (MCN)

The MCN provided a workshop to our grade 5 & 6 students to promote Self-esteem, Healthy relationships, Independence, No means no, and Empowerment. The workshops deal with assertiveness, independence, setting boundaries, sex gender stereotypes, and the importance of developing healthy and egalitarian relationships with others. The students and their teachers responded really well to the presentation!

Spirit of Giving & Share the Warmth

Roslyn School has started collecting non-perishable food items from December 9th to the 17th for the Spirit of Giving & Share the Warmth campaigns.
