Spring Weather

The wonderful spring weather has finally arrived! Students have been spending a lot more time outdoors during recess, and other classroom activities outside to ensure that we take full advantage of this beautiful weather. We'd like to remind you as well to provide your child with proper running shoes, a cap, and sunscreen should be applied at home before coming to school. Enjoy the fresh air and the beautiful sunshine. Wishing

everyone a great spring to all of our SL family!

Outdoor Play

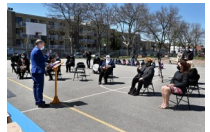

Home to parks, trees, dirt, sand, water, and more, the great outdoors is fully equipped to keep your little one entertained. Children are twice as active when they are outdoors. Being outside makes them want to jump, run, throw, climb, and be adventurous. All these actions improve their motor skills and help them become more in tune with their bodies. Outdoor free play allows children to use their imagination and invent or choose their own games. It's great for their development and at the same time they figure out their interests and learn about themselves. Let them explore, have fun, get dirty. They'll come to see what they're capable of and gain self-confidence.

CONGRATULATIONS To Our Very Own Ms. Vicki!

Sinclair Laird is very proud of our wonderful Kindergarten teacher, Ms. Vicki, who is the 2020-2021 recipient of the EMSB Outstanding Teacher Award! On May 6th, a wonderful ceremony was held in our school yard to celebrate Ms. Vicki, as some of her students attended the

ceremony. Read all about it in the Park-Extension newspaper. Keep up the great work! GO SL GO!

Our Grade 6 Hoodies Have Arrived!

Congratulations to our gr 6 students who received their hoodies in March 2021! Looking good boys and girls. Wear them with pride!

Base Daycare Week

A special thank you to our wonderful Ms. Pina and her team! We celebrated base daycare week with an outdoor party, gifts, pizza day, and sweets for our daycare students. Your love and dedication for our students is very much appreciated.

Petting Zoo at SL

The last few weeks have been pretty fun and exciting for all of us at SL. We've had some wonderful shows such as a Bubble show, Science show, Sing-a-Long, and some fun activity stations in our school gym. Smiles all around the school! We concluded this exciting month of May with a Petting Zoo in our very own backyard. From pre-k to gr 6, the students fell in love with them! The visit ended with a bag of popcorn for everyone.
