World Fair – Parent Participation

Dear Parent/Guardian,

This year Sinclair Laird will be celebrating our students' diverse cultural backgrounds by hosting a world fair that highlights their heritage. With community and student participation, we will create a room that transforms based on the heritage we are celebrating. With your participation, we can make Sinclair Laird's World Fair an event to remember!

Let us know how you would like to help.

- I want to share a game / song / short story from my culture.
- I want to share a snack / treat / language from my culture.
- I have clothes, carpets, flags, textiles I can lend to the school for the event.
- I have other ideas I would like to share.
