SINCLAIR LAIRD SCHOOL

Carnival Week At SL

We had a super active week at SL to celebrate Carnival Week. Students experienced 3 days of exciting activities set-up in the school gymnasium. Together, with their homeroom classmates, students were challenged with 9 different games. Problem-solving skills, team work, and bonding were all integrated in the games. Really awesome to see so much talent and skills all around. We hope to bring some more exciting games for our students in the next couple of months as the weather gets warmer.

Upcoming Events/ Activities at SL

Children nowadays are moving less than usual, due to today's circumstances. Children need a minimum of 60 minutes of activity per day – for their health, behavior and cognitive development. We are constantly trying to find innovative ways to integrate more activity into the day and opportunities to influence students to keep healthy and active.

In the next following weeks, we have planned some more interesting and enjoyable activities/workshops for all of our students. Depending on the grade level, classrooms will get to enjoy different activities such as; Build Your Own Teddy Bear, The Montreal Fire Department Virtual Workshop, Ceramic Painting, and a Magic show. The fun does not end here, much more to come!

Important Information

Although, per government mandates, **only the grades 5 and 6 students are required to** wear their masks at all times, we would like to remind you that preventing the spread of COVID-19 is a collective effort and we hope to have the collaboration of all parents/guardians, students and staff to help keep our community safe. We **STRONGLY RECOMMEND** that all students (Pre-Kindergarten to Grade 6) **wear government approved masks** while on school grounds, when circulating the school and when in their classrooms.

Spring Break

This is a great opportunity to thank our SL family for all of your love and support! We'd like to wish all of our students, parents, teachers, and staff a wonderful, restful, and safe Spring break! Rejuvenate, keep active, and enjoy the family time! Remember to keep assessing your health and keep an eye for symptoms. We will see you back on March 8th! ENJOY :)

Registration 2021-2022

Pre-K and Kindergarten spaces are filling up quickly. If you are planning to register your child at Sinclair Laird, you are still in time. Give us a call at 514.279.9026.
