## **WELCOME TO PRE-K and KINDERGARTEN ORIENTATION DAY – SEPT. 1, 2020**

Dear Parents/Guardians:

Our PK and K classes follow a progressive entry week from August 31 to Sept. 4, 2020. Their first full regular day of school together is Tuesday Sept. 8, 2020 (after Labour Day).

Every year, our school holds a **Welcome to PK-K Orientation Day** for new students in June, but was not possible due to the pandemic. Instead, this will be held on **Tuesday September 1** in small groups for about 2 hours. The session includes an information session for parents and specially designed activities that parents and their child will participate in. We are currently planning the format of the event to respect health and safety guidelines due to COVID-19, which may change between now and September.

The PK and K teams will communicate with you in **August** to inform you of the exact time of your orientation session (either morning or afternoon session).

We look forward to meeting you in the fall and being part of your child's early educational journey. Until then, have a safe and relaxing summer.

Sincerely,

WPS Administration and Pre-school Teams
