April 2024

## WPS Important Information:

### **Easter Break**

We would like to take this opportunity to wish everyone a Happy Easter to all who celebrate. We would also like to remind everyone that there will be no school on Friday, March 29th and Monday, April 1st. School will resume on April 2nd.

### **Solar Eclipse - April 8th, 2024**

April 8th will be a pedagogical day (instead of March 22nd) due to the solar eclipse. All students will be provided with safety glasses the week of April 2nd. Please check your emails for more information.

### **Pedagogical Days**

April 8th and April 22nd are pedagogical days. There will be daycare services provided on April 22nd only. Please check with Daycare for more details.

### **Safety at Recess**

We have noticed many parents come visit their children during recess and lunch outside on the field. Parents are not permitted to visit students while outside for security reasons. If you would like to speak to your child, please come to the main office and it will be arranged.

### **Scaffolding**

You may have noticed that there has been scaffolding placed on the exterior of the building. This scaffolding was placed as a preventative measure only for the purpose of conducting an inspection. We will inform our community of any developments.
