Additional Information / Specifications (e.g., materials required):

Scientific calculator (non-graphing)

Ruler

Binder

Writing implements

This course has an accompanying Google Classroom that students can access using their EMSB account (username and password) at classroom.google.com

Students will be able to access course materials and submit work into the Google Classroom platform for evaluation.

Each student has the responsibility to access the coursework online in the Google Classroom and submit any assignments, particularly in the event of another school or classroom closure. Teachers will be available to accompany students in their learning.
