COME GROW WITH US

Safety and Security in the school yard

As you may have noticed, we have started to plow half the school yard in order for students to be able to enjoy the outdoors at recess and at lunch. We ask your cooperation in reminding your child to play safe to avoid accidents and injuries. Please remind them that throwing snow balls is forbidden and that they need to be vigilant when climbing on the snow banks and running around. Thank you for your support!

Environmental awareness

We kindly remind you to turn off your engines when dropping off or picking up your children. Let's set an example for our children and work towards decreasing the levels of pollution in the air. Thank you for your cooperation in that matter.

Lost and found

This is a gentle reminder that the lost and found bin is located on the first floor, outside the gymnasium. We will be gathering at the end of the month all the items from our Lost and Found area and will give them to a Charitable organization. We ask you to please sort through the clothing in search of whatever your child may have lost while in school. We strongly encourage to label your children's belongings so that they can be returned to them. Thank you for your cooperation in that matter.

In the event of school closure

In the event of a school closure due to inclement weather, the announcement will appear on the Twitter section of the EMSB website at www.EmSB.qc.ca. For all other emergency situations, the administration will contact parents by using Blackboard Connect either by phone or by e-mail

WISHING YOU ALL A WONDERFUL 2019!
