MILK PROGRAM 2021-2022

Date: _____

Dear Parent,

Our school will once again participate in the **Free School Milk Program**. The program will run from September 13, 2021 until June 03, 2022, and milk will be offered 4 times per week.

All students at Willingdon, **Kindergarten to Grade 6**, are offered milk. Milk will be delivered to each classroom in the mornings by a classroom monitor.

When deciding with your child if he/she will have milk this year, please remind him/her that the decision you take will be for the year. Last year, some parents indicated that their child did not want milk but when the child saw his/her classmates drinking, he/she decided that he/she wanted milk too. This caused many problems.

Please indicate below if your son/daughter will be part of the milk program this year and **return your answer to your child's homeroom teacher by September 7, 2021**. Only children whose forms have been returned by the deadline date will receive milk for the year.

Should you have any questions, please do not hesitate to call the school.

Yours very truly,

Carmen Nicolas
Principal
