Important Dates

Fall 2025 Programs

Apply

Early October, 2024

The online application is available at ontariocolleges.ca.

February 1, 2025

The deadline for applying to highly competitive programs. Applications received and paid for before this date will be given equal consideration by the colleges.

NOTE: Applicants for all programs are encouraged to apply before this date, as website and call volumes are highest at this time.

Offer

November 1, 2024

Earliest date the colleges may release offers to applicants. Offers will continue to be issued until programs are filled or wait lists are established.

NOTE: Applicants who have not met admission requirements for a program may be notified at any time during the application process.

Accept

November 1, 2024

Earliest date that applicants may confirm an offer of admission.

May 1, 2025

The most common deadline for confirming offers of admission – but not the only one. Applicants should always review their offers of admission for exact deadline dates.

June 1, 2025

Earliest date that colleges may require payment of tuition fees.

Data Transmission Schedule

Data files from school boards and / or high schools are due on the following dates:

October 4, 2024

Admissions Information

| | |
|---|---|
| Selection process for oversubscribed programs: | Equal consideration will be given to qualified applicants who submit applications by the Feb 1st deadline. The number of seats will be determined proportional to the number of applicants in each pool (i.e. high school and post-secondary). A limited number of offers may be sent to exceptionally qualified applicants beginning in November, with most offers being sent after Feb 1st. Averages will be calculated on the prerequisite courses only. When a required course is in progress, a standard grade will be used in calculating admission averages. 2024 Academic Year: 81.74% PN & 89%PMD |
|---|---|

| | |
|--|---|
| Selection process for non-oversubscribed: | Selection based on meeting admission requirements which can be complete or in progress at time of application. Conditional offers will be sent on a rolling basis after November 1st based on GPA. After Feb 1st applications are reviewed on a case-by-case basis. Many programs continue to accept applications after the Feb 1st deadline, based on open seats. |
| Grade 11 marks: | Overall average is calculated on all completed Grade 11 and 12 courses (final grades only). Courses required for admission can be in progress at time of application and in this case, an offer of admission will be conditional upon successful completion in each required course. (Averages for Practical Nursing and Paramedic, calculated on prerequisites only, see above). |

|---|---|
| Selection process for oversubscribed programs: | Applicants are ranked using academic grades and other selection tools such as resumés, etc. Once the desired number of offers have been reached through rounds of offers, only qualified applicants may be placed on a waiting list. |
| Selection process for non-oversubscribed programs: | Applicants are ranked based on academic grades. Once the desired number of offers have been reached, qualified applicants are placed on a waiting list. |
| Grade 11 marks: | Some programs will accept a Grade 11 Biology or Chemistry as part of the admission requirement. Some programs will accept Grade 11 math with a minimum grade of 60%. For programs requiring Grade 12 courses, and if a Grade 11 final grade has been provided, we may use the Grade 11 mark as an estimate until a mid-term or final grade for the Grade 12 course is received. It is always recommended that students challenge themselves in high school and complete the highest levels of a subject to better prepare for success in college. |

| | |
|--|---|
| Dual credits/SHSM programs: | Dual Credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/credit transfer opportunities. |
| Alternate offers of admission: | Georgian will identify whether programs have a winter or summer intake and provide alternative offers if possible. If there are no alternative intakes, we offer preparatory programs such as Pre-Health Sciences for our health programs or other programs of interest. |
| Supplemental admission requirements: | See individual program web pages for information about G2 driver's licence, First Aid, CPR, immunization requirements, Police Vulnerable Sector Check, portfolios and all other non-academic requirements. |
| Differentials: | Georgian does not use grade differentials for C, M or U level courses. |
| Workplace pathways: | All postsecondary programs at Georgian require a minimum of C, M or U level courses. Workplace credits may be considered as part of an application to the Community Integration through Co-operative Education (CICE) program. Applicants who have workplace levels in required courses will be counselled to pursue academic upgrading through Georgian's free Academic and Career Preparation program. |
| Upgrading pathways: | Applicants taking upgrading can apply to all certificate and diploma programs. Once enrolled, students have many pathway options to transfer into degree programs offered at Georgian. |
| Post-graduate Opportunities: | Georgian offers 28 graduate certificates – diploma and degree holders can fast-track into the workplace in just nine to 12 months. |

| What's New: | <ul style="list-style-type: none"> • Humber College is offering a free, 16-week program for those looking to launch or grow their Advanced Manufacturing career. Connecting to Careers in Advanced Manufacturing is an upskilling program offered in collaboration with ACCES Employment. It's funded by Upskill Canada and the Government of Canada and is designed to equip participants with the skills and knowledge needed in the rapidly changing landscape of advanced manufacturing. The initiative aims to empower students who are coming out of high school and mid-career professionals to enter or progress within the Advanced Manufacturing sector, which helps address the industry's pressing demand for skilled technicians. • Humber College's Pathways to the Skilled Trades program is helping to introduce a whole new generation of young people to the in-demand skilled trades. The Pathways program is just eight weeks in length and is funded entirely by the Government of Canada through the Youth Employment and Skills Strategy initiative, so it's offered at no cost. The program includes 30 hours of training per week including 15 hours of trades exposure relevant to the specific pathway chosen. Learners also have an opportunity for a paid work placement. In addition, the program provides funds to help with transportation and food costs as well as emergency funding to deal with unexpected costs that arise based on demonstrated financial need. There are four intakes each year based on areas of interest including Finish Carpentry, Landscaping, Industrial Trades and Residential Construction. The program is for those aged 18 to 30. |

Admissions Information

| | |
|---|---|
| Selection process for oversubscribed programs: | An applicant must first meet the minimum required grade(s) in each of a program's pre-requisite course(s) and then be ranked by an overall average in these courses and any other courses specified. Additional OSSD credits and overall GPA are not calculated during the competition. In the event that the required credits are in progress, the Admissions team may refer to the applicant's relevant Grade 11 mark. Meeting the minimum admission requirements does not guarantee admission. |
| Selection process for non-oversubscribed programs: | All qualified applicants who apply before Feb. 1 are issued an offer. Qualified applicants who submit applications after Feb. 1 will receive offers on a first-come, first-served basis. |

| | |
|---|---|
| Grade 11 marks: | For non-oversubscribed programs, Grade 11 marks are not evaluated during the application process unless the credit is a specific requirement of a program. |
| Dual credits/SHSM programs: | Loyalist offers multiple programs under the SCWI umbrella, including Taste of College activity days, SHSM certifications, OYAP opportunities, SWAC programs, and dozens of Dual Credit course offerings. These initiatives vary by location in order to meet the unique needs of our partner school boards from Kingston to Oshawa and from Picton to Bancroft. For details, contact scwi@loyalistcollege.com . |
| Alternate offers of admission: | Students who do not meet the minimum admission requirements for a desired program, or who are waitlisted for an oversubscribed program, are issued an alternate offer to a similar program for which they qualify. |
| Supplemental admission requirements: | Non-academic admission requirements may be required. Requirements may include portfolios, criminal record checks, driver's licences, immunization records, CPR and First Aid, and anaphylaxis certificates. |
| Differentials: | C, M, U credits are all weighted equally where applicable. Nursing – Honours Bachelor of Science degree program applicants must possess the required U and M level credits. |
| Workplace pathways: | Loyalist offers Community Integration Through Co-operative Education (CICE), College Technology and Trades Preparation, and General Arts and Science – Workplace. Academic upgrading is available through the Career and College Prep program. |
| Upgrading pathways: | Certain conditions may allow applicants to gain admission to their desired program by completing our Career and College Prep program or by successfully completing the Mature Applicant Pre-Entry Test. |
| Post-graduate Opportunities: | Please visit loyalistcollege.com/postgrad for a full list of post-graduate programs, including Artificial Intelligence and Data Science, Financial Technology, Public Relations – Event Management, Human Resources Management, and Advanced Filmmaking – Digital Content Creation, among others. |

Admissions Information

| | |
|---|---|
| Selection process for oversubscribed programs: | <p>For competitive programs, applications received on or before the application deadlines are equally considered, based on published admission requirements and residency priority. Selection is based on the average of final grades in all required courses and, if required, pre-admission test or portfolio scores. Course averages are based on the highest final grade available at the time of evaluation. Mid-term grades are not considered for competitive programs; however, grade 11 final grades are considered where the required grade 12 course is in progress. For detailed Pre-Admission Requirements and important dates visit: niagaracollege.ca/par Detailed information, cut off scores and examples on admission decisions are available at niagaracollege.ca/admissions (click on Admission Decisions).</p> |
| Selection process for non-oversubscribed programs: | Applications to open programs are evaluated based on published admission requirements. Acceptances are issued upon receiving admission requirements and continue to be issued until the program reaches capacity. |
| Grade 11 marks: | Grade 11 final grades are considered where the required grade 12 course is in progress. Example: When an applicant is enrolled in a required grade 12 English (and has no previous final mark for grade 12 English) evaluation will be based on the final mark for grade 11 English. Offers of admission granted in this circumstance will be conditional upon successful completion of the required grade 12 English. |

| | |
|--|--|
| Dual credits/SHSM programs: | Dual credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/transfer credit opportunities. For details visit: niagaracollege.ca/shsm |
| Alternate offers of admission: | Alternate offers of admission may be issued to related or preparatory programs. Applicants with E level English will be considered for an alternate offer to General Arts and Science – College Exploration and Pre-Community. Applicants are encouraged to contact Admissions to discuss alternate program options. |
| Supplemental admission requirements: | We refer to supplemental admission requirements as Pre-Admission Requirements. Additional fees may apply. For detailed Pre-Admission Requirements and important dates visit: niagaracollege.ca/par |
| Differentials: | Niagara College does not differentiate between C, M or U level courses. |
| Workplace pathways: | All post-secondary programs at NC require a minimum of C, M or U level courses. Workplace credits may be considered on an individual basis for admission to some preparatory certificate programs or as part of admission to either the General Arts and Science Certificate, Pre-Community Services, or the Community Integration through Continuing Education (CICE) program. |
| Upgrading pathways: | Preparatory Certificate programs are offered in Pre-Health, Pre-Community, Pre-Technology and College Exploration. The Academic and Career Entrance (ACE) certificate program is available for candidates who are at least 19 years of age and do not have the required courses for admission. niagaracollege.ca/ace |
| Post-graduate Opportunities: | Graduate Certificate programs are offered at Niagara College. Niagara College also offers pathways to other degrees and diplomas at both Niagara College and other institutions. To review established pathways, visit: niagaracollege.ca/pathways |

|---|--|
| Selection process for oversubscribed programs: | Varies from year to year, only minimum requirements are published. However, the cut off for highly competitive programs is higher than the minimum requirement issued. Highly competitive programs are programs that receive more applications than seats available in the program. As a result, applications received by February 1st are ranked in order of priority according to highest academic achievement in the admission requirements published for the program. After the February 1st equal consideration date, applications are waitlisted should seats become available in the program. |
| Selection process for non-oversubscribed programs: | Must meet minimum admissions requirements or be in the process of obtaining admission course requirements to receive a conditional offer. Proof of registration in high school courses or upgrading is required. Applicants continue to be assessed until September, or until the program cap is reached and then a waitlist is created. |
| Grade 11 marks: | Admissions will only assess Grade 11 marks for programs where either Grade 11 or 12 is required |

Admissions Information

| | |
|---|---|
| Selection process for oversubscribed programs: | <u>Associate Diploma in Veterinary Technology</u> Grade 12 C/U Math and English, Grade 11C/U Biology, Grade 12C/11U Chemistry. College-level courses must each have a minimum final average of 75% and university-level courses must each have a minimum final average of 65%. |
| Selection process for non-oversubscribed programs: | OSSD or equivalent, a minimum 65% average, in six Grade 11 or Grade 12, C, M, O, or U courses, excluding co-op credits. Within the six courses, including a minimum of Grade 11C Math and Grade 12C English. |
| Grade 11 marks: | Grade 11 grades will be considered as part of the six courses for their required admissions average. If we are looking for a final Grade 12 mark for admission into an oversubscribed program, we will consider Grade 11 marks in the assessment process, but the Grade 12 marks must still meet the minimum required average. |
| Alternate offers of admission: | Alternate offers may be made to applicants who have applied to the Veterinary Technology Conventional program. An offer to the Veterinary Technology Alternative program may be granted. If applicants are not successful in an offer of admission to our Veterinary Technology diploma, they are encouraged to consider our other animal-related program options (Agriculture Diploma, Equine Care and Management Diploma, or Veterinary Assistant and Office Administration Certificate). |

| | |
|---|--|
| Differentials: | For Veterinary Technology admissions, our minimum grade for college-level courses is 75%, and for university-level courses is 65%. |

Admissions Information

| | |
|---|---|
| Selection process for oversubscribed programs: | <p>Some of our programs are highly competitive. Applicants to some oversubscribed programs are admitted based on a combination of both academic criteria and the ranking of a supplemental item. These scored supplementals are used in conjunction with the applicant's academic performance.</p> |
|---|---|

| | |
|--|---|
| Selection process for non-oversubscribed programs: | Applicants to some programs are admitted based on academic criteria alone. Selection is based on the average of their six highest senior-level credits, including required courses. Sheridan uses a limit of one cooperative education mark as part of the average. |
| Grade 11 marks: | For certificate and diploma programs, Grade 11 marks can be used as electives in the calculation of an admissions average if the applicant is registered in the required courses. Unless specified as an admission requirement, Grade 11 courses are NOT used in determining eligibility for admission to degree programs. |
| Dual credits/SHSM programs: | Marks for dual credits and/or SHSM courses are used in the calculation of admission averages and are treated as electives. They are not used as prerequisite courses. |
| Alternate offers of admission: | Applicants who do not meet the admission requirements for a selected program may be assessed and advised individually and considered for other, related programs. |
| Supplemental admission requirements: | Supplemental admission requirements can include portfolios, auditions, resumes, questionnaires, creative projects, essays and others. Details can be found on Sheridan's individual program pages through sheridancollege.ca/programs |
| Differentials: | Sheridan does not use grade differentials in the selection process. |
| Workplace pathways: | Currently, Sheridan will only review courses at the C, M or U level for admissions. |
| Upgrading pathways: | Sheridan offers free academic courses in English, math, chemistry, and biology (ACE Core), and Computer Applications and Strategies for Success (Elective). sheridancollege.ca/upgrading |
| Post-graduate Opportunities: | Sheridan offers 29 post-graduate certificates across five Faculties, as well as pathways partnerships with over 40 institutions in Canada and around the world to support continued learning. |
| Deferral policy: | Deferrals are only granted under extenuating circumstances supported by appropriate documentation. All deferrals are at the discretion of the Registrar. |

Admissions Information

| | |
|---|--|
| Selection process for oversubscribed programs: | Except for the Nursing Program (BScN)*, admissions to oversubscribed programs will be based on the average of all marks in grades 11 and 12. *Nursing BScN is based on the average of final first semester grade 12 required (U) courses. If you have not taken the required Chemistry or Biology in your first semester of Grade 12, your Grade 11 (U) marks will be used. |
| Selection process for non-oversubscribed programs: | Ontario Secondary School Diploma (OSSD) with a majority of credits at the College (C), University (U), College/University (M), or Open (O) level or equivalent. All applicants must meet program specific requirements. To learn more about our program requirements click here then select a program for further details. |
| Grade 11 marks: | For oversubscribed programs, except for Nursing (BScN), applicants are ranked by the average of all marks in grades 11 and 12. Also, for selected “popular” programs, a grade 12 English mark will be used for ranking purposes. If a grade 12 English is not available, the grade 11 English mark will be used. NBE 3(C) or 3(U) Contemporary Aboriginal Voices is considered a Grade 11 English for ranking. |
