Important Information

When applying for a Certificate of Authorization for a health profession corporation between the dates of June 1st to July 31st, it is important that you understand that all Certificates of Authorization expire August 31st of each year regardless of the initial date of issuance.

For example, if your Certificate of Authorization was issued on June 2nd it will expire on August 31st of that same year. In other words, your Certificate of Authorization will only be valid for approximately 12 weeks and you will be required to renew your Certificate of Authorization for your health profession corporation on or before August 31st.

If you would like us to hold your Certificate issuance until **after** September 1st please check the box below:

- After** September 1st – I understand that I cannot practice dentistry through my professional corporation until such time that a Certificate of Authorization has been issued by the College on a first come first serve basis which will be on or after September 1st depending on volume of applications received.
The application payment will be processed during the last two weeks of August.

If you do not check this box, your application will be processed in the standard processing time (approximately 4 to 6 weeks during the summer months) from receipt of your requisite paperwork, with the understanding that you will have to renew the Certificate of Authorization on or before August 31st of this year. The annual renewal is available online through the [member resource centre](#). Paper forms are not available.

If you have any further questions, please do not hesitate to contact the Registration Department at hpcinfo@rcdso.org
