Library Resources

The Dentistry Library, University of Toronto has reopened. Since the building is currently restricted to FOB access only, if you wish to visit the library in person special arrangements will be needed to enter the Faculty. Please email the library at least 24 hours in advance of your planned visit. You may also access the library website for the latest information on hours of operation, collections and services.

The internet can be helpful in several other ways, such as through the use of Google Scholar, PubMed, PubMed Central etc. Other organizations (such as the ADA, CDA or the faculties of dentistry) may have additional online resources which could be of assistance.

More information on the above mentioned resources may be found in the following articles:

The basics of searching for information on the internet

Dispatch, Nov/Dec 2013 ➔

Information is only as good as its source: links to three websites for reliable evidence-based research
