

Please note: The following Privacy Policy, including any website links, is not effective until the launch of Scene+.

SCENE PRIVACY POLICY

Scene+ is a loyalty program operated by Scene Limited Partnership ("**Scene LP**", "**we**", "**us**" or "**our**"). Galaxy Entertainment Inc., a subsidiary of Cineplex Entertainment LP ("**Cineplex**") and Scotia Loyalty Ltd., a subsidiary of The Bank of Nova Scotia ("**Scotiabank**") are the current owners of Scene LP and the Scene+ loyalty program ("**Scene+**" or the "**Program**"). The owners of the Program may change over time, and may include affiliates who participate in the Program ("**Owners**" or "**Program Partners**"). The Owners may grant other parties the right to participate in the Program and with whom you can earn or redeem loyalty points (together with the Owners, the "**Rewards Partners**"). For greater certainty, Rewards Partners may include Owners, rebate rewards partners, travel reward partners and other rewards partners.

Please take the time to familiarize yourself with this Privacy Policy, as it outlines how we collect, use and share personal information while operating the Program. It also describes your privacy choices and how you can contact us if you have questions or would like to exercise your rights under applicable privacy laws.

We recommend that you periodically review this Privacy Policy as it may be updated or revised from time to time, including when new Rewards Partners are added. Your continued participation in the Program constitutes your acceptance of the updated or revised Privacy Policy.

PERSONAL INFORMATION THAT WE COLLECT

We collect information about you and your participation in the Program as is reasonably necessary for us to offer and operate the Program, including:

Enrollment information: You must be a member of the Program (a "**Member**") in order to earn and redeem Scene+ points and otherwise participate in the Program. When you enroll in the Program, we collect your name, mailing address, telephone number(s), email address, gender and date of birth. Once enrolled, you will receive a physical or digital membership card (a "**Membership Card**").

Information relating to your use of Scene+ Scotiabank Products. When you use a Scene+ Scotiabank Product (such as a Scene+ Scotiabank debit card or a Scene+ Scotiabank credit card) to purchase a product or service, information about that purchase is shared by Scotiabank with Scene LP. This includes purchase date, purchase amount, merchant name and location. Please note that merchant name and location will not be shared for merchants that are considered sensitive, such as healthcare providers.

Information relating to your use of Membership Card at Cineplex. When you use your Membership Card at Cineplex locations, information about your transaction is shared with Scene LP. This includes date, location, movie attended, concessions purchased, and total amount spent.

Information relating to your use of Membership Card at other Rewards Partners. When you use your Membership Card at or through other Rewards Partners locations, information about your transaction will be shared with Scene LP. This typically includes transaction date, time, location, and amount spent, and details of products or services purchased.

Information from our Program or Rewards Partners. We collect information from our Program or Rewards Partners that is reasonably necessary for us to offer and operate, and for them to participate in, the Program.

Redemption information: We collect information about your Scene+ points redemptions, including the date and time of the redemption, the amount of Scene+ points redeemed, where they were redeemed, and the product or service the Scene+ points were redeemed for.

Information Collected Automatically: When you visit the Scene+ website or download or use the Scene+ mobile application, we collect information about the device you are using, including (as applicable) your Internet, telecom or mobile carrier and service provider, IP address, device ID, the date and time of your visit, the pages of the website you visit, the features of the app that you use, and the referring URLs you came from. We also collect information about the searches you perform when using the application or the sceneplus.ca website.

Our web server uses cookies to automatically recognize you as a registered visitor, where you have indicated your preference to be automatically logged in.

We use pixels, or transparent GIF files, to help manage online interest-based advertising. These GIF files are provided by our ad management partners. These files enable us to recognize a unique cookie on your Web browser, which in turn enables us to learn which advertisements bring users to our website.

We also use cookies and similar tools for tailored interest-based advertising purposes. These cookies and tools may be placed by us, or by our advertising partners.

You can disable cookies using your Internet browser's settings. Please consult your browser's help function for information on how to disable cookies. Note that if you disable cookies, certain features of our website may not function properly. Click on the following links to learn how to delete or block cookies in your browser: [Google Chrome](#); [Mozilla Firefox](#), [Microsoft Internet Explorer](#); [Safari](#); [Opera](#).

If you opt-out of interest-based advertising by a third party, these technologies may still collect data for other purposes, including analytics, and you will still see ads from Rewards Partners across the Internet, but the ads will not be targeted based on behavioural information about you, and may therefore be less relevant to you and your interests.

Interest-based advertising opt-outs work by saving cookies in your browser that tell the various ad partners that you have opted-out. Because cookies are generally browser-specific, your choice will only apply to the web browser from which you opt-out. You must opt-out from each web browser from which you do not want interest-based advertising (and this may involve different devices, if you use more than one).

Location Information: Through your mobile device, you may have the ability to activate the location tracking functionality to allow Scene LP to access your GPS location. Activating location or device tracking functionality is a function of your mobile device and not required for your participation in the Scene+ Program. By activating this feature, you agree to allow Scene LP to use your GPS location for purposes of notifying you when you are at, or are in close proximity to, a Rewards Partner, and you agree that Scene LP may collect and use your location information and transmit such information to its third party service providers for these purposes.
