Schneider Receives 2014 P&G External Business Partner Excellence Award

Procter & Gamble (P&G) recently recognized Schneider, North America’s premier provider of truckload, intermodal and logistics services, with a P&G External Business Partner Excellence Award. The only transportation company to receive the award, Schneider was honored for its consistently high-level service and excellence during the company’s logistics transformation.

“Schneider and P&G have enjoyed a great, long-term relationship dating back to the 1930s,” said Mark Rourke, president of Schneider Truckload Services. “In fact, in 1958, P&G was our first interstate load. Now more than half a century later, we are still meeting P&G’s complex transportation needs and delivering value to their customers across the continent.”

This is Schneider’s second time receiving the P&G External Business Partner Excellence award. Additionally, Schneider received P&G’s Trailer Pool Management Award for effectively responding to shipment and promotion surges and the EDI Quality Award for consistent on-time delivery of 96 percent or better.
