Schneider Selling Used Fleet Trailers to Make Way for New Equipment
5,700 dependable, well-maintained trailers to hit the market; used fleet trucks also available

GREEN BAY, Wis. - (February 26, 2014) - Schneider, one of the nation's largest trucking companies and home to one of the industry's largest selections of [used fleet equipment](#), announced today that it will add 5,700 trailers to its offering of used equipment for sale. The truckload carrier plans to invest in more new equipment this year, making now the right time for its used trailers to find new homes. Over 400 [used trailers](#) are immediately available, and additional trailers will be added to Schneider's inventory monthly throughout the year.

Trailers offered by Schneider are well-maintained 1999-2004 model-year 53-foot dry vans. Prices range from \$4,000-\$8,000, and all trailers for sale have been maintained to Schneider's high standards. The company's used fleet equipment inventory can be viewed online at www.schneidertrucks.com.

"Schneider's used fleet trailers are versatile and a solid investment for trucking operations, storage units, farm use, construction projects and pallet companies," said Rob Reich, vice president, Maintenance, at Schneider. "Buyers will be hard pressed to find a better value."

Schneider has used fleet trucks for sale. In addition to its Schneider Finance division, which provides options to current and prospective Schneider owner-operators on premium new and used trucks, Schneider offers used fleet trucks to buyers, who are not required to lease the units with Schneider.

The current inventory of used fleet tractors and trailers is available at 18 Schneider locations across the United States: Atlanta; Charlotte, N.C.; Columbus, Ohio; Dallas; Fontana, Calif.; Sacramento, Calif.; Gary,
