Walmart Honors Schneider with Intermodal Carrier of the Year Award

Green Bay, Wis. – (September 11, 2015) – Schneider, North America’s premier provider of truckload, intermodal and logistics services, was recently awarded Walmart’s 2014 Intermodal Carrier of the Year Award. The award is presented to the carrier that meets or exceeds standards in service, performance, capacity and safety.

Walmart, an American multinational retail corporation that operates a chain of discount stores, particularly assesses carrier support during their peak season. During this surge, Schneider was able to increase its volume by 300 percent. The Walmart team was impressed by Schneider’s excellent results.

“Every year Walmart recognizes carriers that have provided excellent customer service, have excellent communication and are leaders in the transportation industry,” said Kelly Hurt, Walmart’s Compliance Manager, during a recent visit to Schneider’s Green Bay, Wis., headquarters. “This year, Walmart is recognizing a carrier that not only exudes all of that but also provides solutions to an ever-changing Walmart transportation landscape.”

Schneider, which has been providing Intermodal service to Walmart for 20 years, also provides the retail giant truckload, brokerage, dedicated, port dray and transloading services.
